

Honored Corporate Partner Renewal Letter

Thank you for your continued support of the Professional Women's Forum.

We appreciate the relationship we have formed over the past year. Through these associations we created a strong foundation allowing us to carry out the overall goals of the organization. Without corporate partners we could not continue to offer the opportunities and support to our members.

We would like to thank you for your past support of PWF. It is time to renew your corporate partnership for 2017/2018. We hope you have enjoyed the benefits of your partnership with PWF at your current level and that you might consider joining us for another year. We look forward to talking to you about this.

PWF is an organization whose members support each other and our corporate partners- our partnership with you is a win/win for all!

Thank you for using this opportunity to obtain visibility and representation within the business sector and gain access to our members as clients, suppliers and subcontractors. Our collaboration will bring a positive public and community relations image.

If you have any questions about this year's corporate partnership or how we can get you even more involved with the organization, please feel free to contact us at arose@ganz.com or at angela.crow@uwbg.org.
